Working Together Toward a Better Industry

Medinah Banquets, 550 N. Shriners Drive, Addison

Join the Greater Chicagoland chapter of NARI as we meet with the Chicago Midwest Chapter of NKBA and foster relationships between members of our two organizations.

Our speaker will be BOB GARNER, CMKBD, President of the National Kitchen & Bath Association. Bob is the National Training and Education Manager for Medallion Cabinetry. He is the first NKBA President elected from the Manufacturers/Suppliers industry segment.

Members of both organizations work in the same industry; why not work *together*? Come to this meeting and find out how NARI and NKBA can work with each other within the Chicago market towards a better overall industry.
